**NOTICE OF PROPOSED CLASS ACTION SETTLEMENT**

A Settlement has been reached in a class action lawsuit regarding turbochargers in certain specific Audi vehicles. The Court has preliminarily approved the Settlement and will decide whether to grant final approval of it.

Am I a Class Member? You are a Settlement Class Member if you are a current or former owner or lessee of a certain Model Year 2008-2009 or 2015-2020 Audi A3, 2015-2024 Audi Q3, 2009-2014 Audi A4, 2010-2014 Audi A5, 2013-2015 Audi A6, 2011-2014 Audi Q5, and 2011-2012 or 2016-2023 Audi TT vehicle, in the United States or Puerto Rico, whose specific Vehicle Identification Number ("VIN") is included in the Settlement (a "Settlement Class Vehicle"), subject to certain exclusions. You can confirm whether your vehicle is included in the Settlement, and that you are therefore a Settlement Class Member, by searching the VIN Lookup Tool on the Settlement Website: www.TurboClassSettlement.com.

What benefits can I get from the Settlement? If the Court grants final approval, the Settlement will provide the following benefits: 1) a Warranty Extension for certain of the Settlement Class Vehicles; and 2) Reimbursement of certain past paid out-of-pocket repair expenses. For details on these benefits, what is covered and for which Settlement Class Vehicles, the terms and conditions of the Settlement, your rights and applicable deadlines, procedures, and requirements for requesting exclusion from or objecting to the Settlement, and submitting a claim for reimbursement, please refer to the full Class Notice which is available on the Settlement Website, www.TurboClassSettlement.com. The Settlement Website also contains a Claim Form that you would need to complete, sign, and timely submit to the Settlement Claim Administrator, together with all required supporting documentation, either by mail or online through the Settlement Website **no later than November 29, 2025** to claim a reimbursement under the Settlement. You can also call the Settlement Claim Administrator toll-free at 1-855-779-6685 to obtain a Claim Form and for any questions you may have.

How can I exclude myself from the Class? You do not have to do anything to stay in the Settlement Class. However, if you want to exclude yourself from the Settlement, you must mail a request for exclusion **postmarked no later than October 15, 2025**. The requirements for a request for exclusion, and the addresses to whom it must be mailed, are set forth in the full Class Notice on the Settlement Website, www.TurboClassSettlement.com. If you timely exclude yourself, you will not be eligible to receive any benefits of the Settlement. If you do not timely exclude yourself, you will remain part of the Settlement Class, and if the Settlement is approved by the Court, you can receive any benefits

Dear JND Legal Administration at 10/9/25
Turbocharger Class Settlement,

Not ONLY do I want to be excluded from the class action lawsuit settlement, I object to it TOTALLY. My black Audi 2010 Q5 VIN [REDACTED] was slammed + totalled by people named "Mary, Larry + Ellie Olson" on January 31, 2016. I had CHUBB insurance for my vehicle. They have had a claim against MY LIFE since that time. "Ellie Olson" hit me, I did not hit her. I was informed by LaMettry's Collision and Chubb Insurance that my car experienced a "total loss", that they could not fix it up, and that I would receive \$33,000+ to get a new car. That is what happened. I find out months later that the LaMettry's Collision people (quite possibly Chubb too) fixed my car and sold it to someone else. Isn't that called INSURANCE FRAUD? Someone else now has in their possession my Black Audi Q5 with the VIN [REDACTED] NOT ME.

Then I purchase my new Gray Audi Q3 2017
which was delivered in October of 2016 VIN #

[REDACTED] and I drove that until
December 27, 2024 (8 years) until it was
confiscated at The University of Minnesota
by the Minneapolis Police Department who
delivered it to the Van White Impound Lot where
the State of Minnesota sold it to someone else
who is now driving my Gray Audi Q3 2017 Vin #
[REDACTED] It is not in my possession

Question: Who owns Audi?

Another Question: Who runs the Minneapolis
Audi/Porsche Carousel Dealership + Maintenance
Business?

I believe there is some seriously greedy, sleazy,
underhanded, corrupt action going on there +
it is not only corrupt it is inseparably connected
to torture + solitary confinement AS IS YOUR
CLASS ACTION LAWSUIT.

Sincerely,

Sara Strand Turner

Hi Emmett,

Good Afternoon. Thank you for your web inquiry regarding the VW Turbocharger Class Action. Did you repair the vehicle before selling the vehicle? If so, you are entitled to a reimbursement of the repair. If you did not repair the vehicle then you should exclude yourself from the class action. This class action is only for a reimbursement of a repair, and not for the diminution of the value of the vehicle.

I received a letter that I am part of the VW Turbocharge class action lawsuit.

I sold my vehicle back in 2022 at around 95,000 miles specifically because the turbocharger needed to be replaced. I took it to a certified dealer and had it inspected and everything. I basically sold it for pennies due to the turbocharger. Does this qualify in any part of the class action lawsuit?

Leylah Samimi	N/A

Hi,

My name is Leylah Samimi, and I would like to be included in the Request for Exclusion. My address is [REDACTED] and the best number to contact me is [REDACTED]. I have had several leases and owned one vehicle with Volkswagen; unfortunately, I can no longer access the information. The vehicle models include a Jetta, Tiguan, and a Volkswagen Golf Sportwagen from approximately the years 2011 to 2019. I was either the owner or lessee for each of the vehicles. However, I am sure the additional information necessary can be verified with the information I have provided.

I would not like to be included in this settlement, regarding any of these vehicles. Thank you for your time.

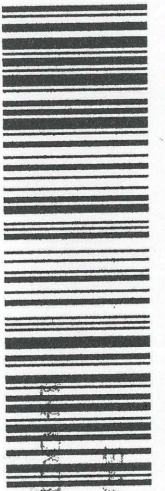

Kind Regards,

Leylah Samimi
