To Whom It May Concern:

I, Shady Ali, am the current owner of a [REDACTED]. On November 9, 2024 my check engine light came on. I got in contact with my local VW dealer where the vehicle was originally purchased and scheduled it for a diagnostic two days later. The vehicle was brought into Northtown VW.

I was diagnosed with a “faulty Turbo Waste Gate Stuck Open”. I was told by the Technician “these do not get repaired, they get replaced”. I was also informed there is no coverage such as warranty or recall at the time. I was told this would be an out-of-pocket expense of \$3750 plus the diagnostic fee of \$211 plus taxes. I cannot afford to do a repair for this amount. I have provided the diagnostic for proof of the faulty Turbo. The car has been meticulously taken care of and has not been modified in any way, shape or form. I have filed a claim at www.turboclasssettlement.com as well. My claim number: P67XZ5P8RE.

I, Shady Ali, of [REDACTED], owner of a 2016 VW Tiguan VIN No. [REDACTED], am providing a copy of my Title, Registration, Bill of Sale, as proof of ownership. I ask the court to deny approval, and I object to the proposed settlement of 50%. In the case of *Kimball v. Volkswagen Group of America, Inc., et al.*, United States District Court for the District of New Jersey, Civil Action No. 2:22-cv-04163-MAH. If you have any questions or concerns to my objection, you can reach me at [REDACTED].

Sincerely,

Shady Ali

Kimball v Volkswagen Defense Counsel
Michael B. Gallub, Esq
Shook, Hardy, and Bacon LLP
1 Rockefeller Plaza, Suite 2801
New York, NY 10020

10020-201502

To all involved parties of Kimball v. Volkswagen Group of America,

I wish to submit for your consideration a formal objection to the proposed settlement. The proposed settlement only reimburses people who had the work done. However, there are many people in the class who could not afford to have the work done or were advised alternative solutions to delay the work (myself included). The proposed settlement leaves us completely uncompensated for the issues in the settlement.

To avoid disproportionately impacting the poorest class members, a revised settlement should allow for impacted class members to get the work done by an authorized dealership within a certain window of time covered by Volkswagen Group of America.

Please update the proposed settlement to allow for this.

Sincerely,

A handwritten signature in black ink, appearing to read "Straker Carryer", followed by a long horizontal flourish.

Straker Carryer (a covered class member who would receive nothing despite the impact in the settlement as proposed)
